Projects

LUXE – MERN E-Commerce Platform | *React.js, Tailwind CSS, Node.js, Express.js, MongoDB* **Jan 2026 - Mar 2026**

- Developed a scalable MERN stack e-commerce application using React.js with **25+** reusable components, enabling seamless product browsing, cart management, and checkout.
- Created 15+ RESTful APIs using Node.js and Express.js and integrated MongoDB to manage 1000+ product and user records, implementing secure JWT authentication and role-based access control.
- Integrated Stripe payment gateway and built an admin dashboard for managing products, inventory, and orders, improving operational efficiency and reducing manual work by **~60%**.

Digital Classroom with Note Sharing and Quizzes | *React JS, Node JS, MongoDB* **Oct 2025 - Dec 2025**

- Engineered an interactive digital classroom platform that enables real-time note sharing, quizzes, and collaborative learning, improving student engagement and enhancing the overall online learning experience.
- Developed a responsive, component-based frontend using React.js, enhancing usability, accessibility, and overall learner engagement through a modular and scalable UI design.
- Designed and implemented optimized Node.js REST APIs with MongoDB for efficient management of notes, quizzes, and user data, ensuring smooth performance and scalability
- GitHub Repository Link: <https://github.com/Rajanikanth45/EduSphere>

Professional Networking Platform | *HTML5, Tailwind CSS, JavaScript, PHP, MySQL* **Mar 2025 – May 2025**

- Developed a responsive frontend using HTML, Tailwind CSS, and JavaScript, optimizing UI performance and improving user experience while reducing page load time by approximately **35%**.
- Implemented a secure authentication system using PHP, enabling users to register, log in, and edit their professional profiles with proper session management and data validation.
- Designed a modular database structure to manage user profiles, skills, and education details, improving data organization, scalability, and supporting future feature enhancements.
- GitHub Repository Link: <https://github.com/Rajanikanth45/Entrepreneurial-Network-web-development>

Certificates

Web Hackathon **Feb 2024**

The Code off Duty — Certificate Link

Responsive Web Design **Sep 2023**

FreeCodeCamp — Certificate Link

Technical Skills

Languages: Java, JavaScript, PHP, Python

Technologies/Frameworks: HTML, CSS, React JS, Node JS, Git, GitHub, VS Code

Skills: Problem-Solving, Responsive Web Design

Education

Lovely Professional University Punjab **2023 – Present**
Computer Science and Engineering — CGPA: 6.5 *Jalandhar, Punjab*

Sahithi Junior College **2021 – 2023**
Intermediate — Percentage: 93 *Rayadurgam, Andhra Pradesh*

Zilla Parishad High School **2020 – 2021**
Matriculation — Percentage: 93 *Raya durgam, Andhra Pradesh*
